Hashitheyuku kodomotachi no hashagu warai koe ni
Hikari to kage oikakete mitaku naru
Midori no ha ni sukashite mita ano taiyou no saki ni
Nani ga aru to omotteita no darou
[In the running children's frolicing voices
They are wanting to chase after the light and shadows
Thinking that there is something in the sun
Shining through the leaves]
Emerald Green hana wo tsunda te no naka kara
Sora kaze tsuchi e to sugata wo kaeteyuku
Sono utsukushisa ni me wo hiraita mabayushi sugiru
basho de
Nekoronda sora ni toikaketeru
[From inside the hands picking, the emerald green
flowers
Change their body to the sky, the wind, the ground.
Laying in that opulent place that opened it's eyes to
that beauty,
Asking questions to the sky]
Nanmai ka no ookina ha to koishi hiroiatsume
Kakomu you ni chiisana kichi wo tsukuri
Kaze ga fukeba kowareru you na
Sonna yume datta kedo
Ano sekai wo mada oboeteiru
[Just how many large leaves and small rocks must we
gather
To circle around to make that small fort
If the winds do blow, seeming to break that dream,
But we still remember that world.]
Emerald Green ko no ha yurasu ano uta kara
Midori no kokyuu ga senaka wo tsutsumikomu
Mou ichido koko ni kaeritai to
Negau dake demo ima me no mae ga sukoshi akaruku
naru
[From that song shaking the emerald green foilage
The voice of nature is wrapping my back
I wish, I can return here just one more time,
But now, it has become slightly brighter infront of my
eyes]
Emerald Green hana wo tsunda te no naka kara
Sora kaze tsuchi e to sugata wo kaeteyuku
Sono utsukushisa ni me wo hiraita mabayushi sugiru

basho de
Nekoronda sora ni toikaketeru
Me no mae ga akaruku naru
[From inside the hands picking, the emerald green
flowers
Change their body to the sky, the wind, the ground.
Laying in that opulent place that opened it's eyes to
that beauty,
The future has become brighter]
