A Long Way To Go  
Skylark Composers: Mann & Weil

( A long... way... to go... d' y' know... )

I've burned my eyes on the summertime skies traveling  
a country mile  
I drowned my pain in the winter rain and the sweetness  
of a smile...  
I've been possessed or maybe I'm blessed by dreams I  
can't define  
But can't you see there's a light in me and I've got to  
make it shine...

Chorus...

Oh, sweet Mary..., Mary, don't you know...  
I may have come a long way but I've got a long way to  
go...

I get through fire, I've been down to the wild just trying  
to find my name  
I've soared as high as the wild birds fly but I still came  
down the same,  
Now I may feel just a little more real but I'm still more  
lost than found

But when nighttime comes I still need someone to wrap  
my love around...

Chorus...

Oh,(oh,), sweet Mary..., (sweet,  
sweet) Mary, don't,( Mary don't, ) you know... (you  
know,)  
I may have come a long way but I've got a long way to  
go...  
Oh, sweet Mary..., Mary, don't,( Mary don't, ) you know...  
(you know,)  
I may have come a long way but I've got a long way to  
go...

( Musical Intervention )

Chorus,  
Oh,(oh,), sweet Mary..., (sweet,  
sweet) Mary, don't,( Mary don't, ) you know... (you  
know,)  
I may have come a long way but I've got a long way to  
go...  
Oh, sweet Mary..., Mary, don't,( Mary don't, ) you know...  
(you know,)  
I may have come a long way but I've got a long way to  
go,
