We laugh until we had to cry  
And we love right down to our last goodbye  
We were the best,  
I think we'll ever be  
Just you and me  
For just a moment

We chase that dream we never found  
And sometimes we let one another down  
But the love we made,  
Made everything alright  
We shone so bright  
For just a moment

Time goes on,  
People touch and they're gone  
And you and I will never love again  
Like we did then

Someday when we both reminisce  
(We both say) We both say  
There wasn't too much we missed  
And through the tears  
(And through the tears)  
The smile when we recall  
We had it all  
For just a moment

Time goes on... Ahh...  
People touch and then they're gone  
But you and I will never really end  
Will never love again...  
Like we did then

We laugh until we had to cry  
And we love right down to our last goodbye...
