(chorus)

Mighty God
Mighty God
Mighty and righteous is Your name oh Lord
You are the mighty God.
Holy God
Holy God
Holy and righteous is Your name oh Lord
You are the holy God.

(verse 1)

You are the great everlasting Father
The One who was and is to come
Alpha, Omega, the Lion of Judah
The Great I Am, the Anointed One

(verse 2)

Into your presence I bow before you
I lift my voice, I lift my hands
My praise arises into your throne room
I will proclaim you in all the land

(tag)

Holy and righteous is Your name oh Lord
You are the mighty God.
