Mmm?oh?ho?

Some people never recognize it  
Though it's right before their eyes and shines in all  
Its glory  
They never ever see  
They choose something that looks just like it  
And it may glitter for the time, but gold it'll never  
Be

I guess you never held on to quality  
Or you woulda recognized by now  
Something so special, so true  
When it's standing right in front of you

I'm gold, babe  
Catch me in the slipstream  
Passing by the fools who just don't know  
Pure gold, babe  
You're looking at the real thing  
If you knew my worth, you wouldn't let go

I'm gold, babe  
Catch me in the slipstream  
Passing by the fools who just don't know  
Pure gold, babe  
You're looking at the real thing  
If you knew my worth, you wouldn't let go

Oh, no  
No

Gold lies in rivers undiscovered  
Hidden from the sight of those who don't know what to  
Look for  
They ain't never gonna find it  
Sometimes the value is uncovered  
Other times it's cast aside by those who are just  
Unsure, oh

I guess you never held on to quality

Or you woulda recognized by now  
Something so special, so true  
And she's standing right in front of you

I'm gold, babe  
Catch me in the slipstream  
Passing by the fools who just don't know  
Pure gold, babe  
You're looking at the real thing  
If you knew my worth, you wouldn't let go

I'm gold, babe  
Catch me in the slipstream  
Passing by the fools who just don't know  
Pure gold, babe  
You're looking at the real thing  
If you knew my worth, you wouldn't let go

'Cause all the things you failed to see  
Separated you from me  
I decide who wins my time  
And who comes inside, yeah  
'Cause what is true and what is real  
Finds a way of being revealed  
I don't have to even try  
'Cause I'm certified pure

Gold, baby  
Catch me in the slipstream  
Passing by the fools who just don't know  
Pure gold, babe  
You're looking at the real thing  
If you knew my worth, you wouldn't let go

I'm gold, babe  
Catch me in the slipstream  
Passing by the fools who just don't know  
Pure gold, babe  
You're looking at the real thing  
And if you knew my worth, you wouldn't let go

Oh, gold  
Oh, no, no, no  
Pure gold, pure gold, pure gold, pure gold, yes  
I am
