the world is full of fools, who never get it right
you dont know what to do, so you do anything you like.

(put your foot down and drive) oh, your a silly thing
(put your foot down and drive) youre such a pretty
thing
(put your foot down and drive) Youre never gonna be
like all those fools,
We're going out tonight.
Theres nothing to lose, youre gonna give it all a try.

Dont ever change. Dont ever change.
No, never change, never change.

You better say youre prayers, or whisper to the wise,
And thank youre lucky stars for coming out tonight.

(put your foot down and drive) Oh, youre a silly thing,
(put your foot down and driiiiive) Dont you ever
change,
Dont ever change (ever change)
no never change, Never change

When tearful eyes, are open wide, theyre still too blind
to see,
A change in style, for a while, is only make-believe.

(put your foot down and drive) Oh, youre a silly thing
(put your foot down and drive) youre such a pretty thing
(put your foot down and drive)
You're never satisfied, So look for something new
Thers nothing to find, and nothing you can do.

Dont ever change, dont ever change.
No never change, never change

Oh, you fool, you've got me started.
Oh, you fool, you've got me started.
Oh, you fool, you've got me started
