Mr Johnson's car gets the weekend shine

And it's so fine

Music plays on radios

And Lisa in the garden singing to the washing line

Well never mind

People do the strangest things

Our English sky may well cry

Housewives talk

But I'm so bored

Oh did you love that lazy feeling

[do you love that lazy feeling]

So do you feel like sleeping

[Let the world go by]

Mr Bentley yawns, he hates the daily grind

So it's goodnight, a thousand sleepy heads on pillows

Monday start all over

Tuesday safe behind your blinds

Come on over

We can spend an hour or two

Our English sky may well cry

Housewives talk

But I'm so bored

We spent a perfect day and talked the hours away

Just drifting through the streets and melting in the
heart

Oh do you love that lazy feeling

[do you love that lazy feeling]

So do you feel like sleeping

[Let the world go by]

[Do you feel like sleeping]

[Do you feel like sleeping]
