Iâ€™ve got the feeling  
Youâ€™ve got the feeling  
Iâ€™ve got the feeling  
Youâ€™ve got the feeling

Oh love donâ€™t go away  
I wish youâ€™d stay  
Can I change your mind?  
Iâ€™m the king of dreaming in a wishful way  
When Iâ€™m wide awake  
But there comes a time

And I see that what Iâ€™m needing  
Is a feeling to believe in

Maybe itâ€™s true  
And Iâ€™m just a fool  
Whoâ€™s making us blue  
When lifeâ€™s too short

Oh love is kind of tempting fate  
Itâ€™s an unknown state  
In a place I canâ€™t find  
And now I know Iâ€™ve kind of lost my way  
But I keep the faith  
With an open mind

And now I know Iâ€™m kind of lost  
But I keep the faith

Iâ€™ve got the feeling, youâ€™ve got the feeling  
Oh Iâ€™ve got the feeling  
Youâ€™ve got that feeling too  
Lifeâ€™s too short, Lifeâ€™s too short
