Baby's eyes are black
She's taken all the clothes
She's never coming back
The yes turned into no
Oh you know
you've made a fool of everyone
Turn around
And take a bow
but everyone's gone
[look at you]
Hiding in the corner
Wishing you were somewhere new
Nothing is forever
We're not so clever now
You say I'll never learn
I've been around the world
You thought I'd never heard
Oh you know
I've let you down like everyone
I messed around
and took a bow

But everyone's gone

[look at you]

standing on the corner

Wishing you were somewhere new

I promise it's the last time

I lie to you

[bridge]

Oh you know

You've made a fool of everyone

Turn around

And take a bow

But everyone's gone

[look at you]

hiding in the corner

Wishing you were somewhere new

We didn't have the patience

Punch and Judy do
