You know I can't stay at home
With all that time to kill
You know I can't sit still tonight
I've gotta make some noise
I'm jumping up and down
I've got to get out now
I wanna shout out loud

Oh you make me feel alright
It's like the tippermost, toppermost high
Oh it's you - you do
Crack up your face and give us a smile
Because tonight I just wanna go wild

I've got a million thought and when I've thought them
all
I'll find a million more for tonight
And when I'm feeling sad
I know it's such a drag
And then I get so mad
And then I feel bad

Oh you make me feel alright
It's like the tippermost, toppermost high
Oh it's you - you do
Crack up your face and give us a smile
Cos it's you - you do

Ready or not
Here we go till we drop
Don't be square
Fix you're face and grow you're hair

Oh you make me feel alright
It's like the tippermost, toppermost high
Cos it's you, you, you

Ready or not
Here we go till we drop
Don't be square
Fix you're face and grow you're hair

Here, now, anywhere
