On the first part of the journey
I was looking at all the life
There were plants and birds and rocks and things
There was sand and hills and rings

The first thing I met was a fly with a buzz
And the sky with no clouds
The heat was hot and the ground was dry
But the air was full of sound

I've been through the desert on a horse with no name
It felt good to be out of the rain
In the desert you can remember your name
'Cause there ain't no one for to give you no pain

After two days in the desert sun
My skin began to turn red
After three days in the desert fun
I was looking at a river bed

And the story it told of a river that flowed
Made me sad to think it was dead

You see I've been through the desert on a horse with no
name
It felt good to be out of the rain
In the desert you can remember your name
'Cause there ain't no one for to give you no pain

After nine days I let the horse run free
'Cause the desert had turned to sea
There were plants and birds and rocks and things
There was sand and hills and rings

The ocean is a desert with it's life underground
And a perfect disguise all above
Under the cities lies a heart made of ground
But the humans will give no love

You see I've been through the desert on a horse with no
name
It felt good to be out of the rain

In the desert you can remember your name
'Cause there ain't no one for to give you no pain
