"Across The Universe"

Words are flowing out like endless rain into a paper
cup,
They slither while they pass they slip away across the
universe.
Pools of sorrow, waves of joy are drifting through my
opened mind,
Possessing and caressing me.

Jai guru deva, Om.

Nothing's gonna change my world,
Nothing's gonna change my world,
Nothing's gonna change my world,
Nothing's gonna change my world.

Images of broken light which dance before me like a
millioneyes,
They call me on and on across the universe.
Thoughts meander like a restless wind inside a letter
box,
They tumble blindly as they make their way across the
universe

Jai guru deva, Om.

Nothing's gonna change my world,
Nothing's gonna change my world,
Nothing's gonna change my world,
Nothing's gonna change my world.

Sounds of laughter, shades of love are ringing through
my openedears,
Inciting and inviting me.
Limitless undying love, which shines around me like a
millionsuns,
And calls me on and on across the universe.

Jai guru deva, Om.

Nothing's gonna change my world,
Nothing's gonna change my world,

Nothing's gonna change my world,
Nothing's gonna change my world.

Jai guru deva,
Jai guru deva,
Jai guru deva,
Jai guru deva,
Jai guru deva,
Jai guru deva...
