Oh Now I found Myself
Wish I was someone else
My hands are staid with love
Wish I could take it away

Keep Taking, Taking Away
I keep Breaking, Breaking, Break

I can't believe it yesterday
Hear you coming In
I can't believe it who I am

The worst is over now
You shouted any how
My hands are staid with cum
Wish I could wash it away

Keep Taking, Taking Away

I keep Breakin, Breakin

I can't believe it yesterday
Hear you coming In
I can't believe it who I am
Here you come again
I can't believe it what I've Know
Here you coming In
I can't believe it who I am

Hold Me
Find Me
Fuel Me
You Fuck Me Up
Fuck Me Up Again

Hold Me
Find Me
Fuel Me
You Fuck Me Up
Fuck Me Up Again!

Break

ME!

I can't believe it yesterday
Hear you coming in
I can't believe it who I am
Here you come again
I can't believe it what I've know
Here you come again
I can't believe it who I am

So Break!
