I feel so unsure
As I take your hand and lead you to the dance floor
As the music dies, something in your eyes
Calls to mind a silver screen and all those sad
goodbyes

I'm never gonna dance again
Cause guilty feet have got no rhythm
Though it's easy to pretend
I know you're not a fool

I should have known better than to cheat a friend
And waste the chance that I'd been given
So I'm never gonna dance again
The way I danced with you

Time can never mend
The careless whispers of a good friend
To the heart and mind
Ignorance is kind
And there's no comfort in the truth
Pain is all you'll find

I'm never gonna dance again
Cause guilty feet have got no rhythm
Though it's easy to pretend
I know you're not a fool
I should have known better than to cheat a friend
And waste the chance that I'd been given
So I'm never gonna dance again
The way I danced with you

Tonight the music seems so loud
I wish that we could lose the crowd
Maybe it's better this way
We'd hurt each other with the things we want to say

We could have been so good together
We could have lived this dance forever
But now who's gonna dance with me?
Please stay

I'm never gonna dance again
Cause guilty feet have got no rhythm
Though it's easy to pretend
I know you're not a fool

I should have known better than to cheat a friend
And waste the chance that I'd been given
So I'm never gonna dance again
The way I danced with you
