Leave your mark under my skin
Oh, my, how strong you are
Then feast your eyes on my disdain
And hope this one won't scar

I will never belong to you again
I will never belong to you

Push if you still need my pain
'Cause I will never tell
And scream if you still hate my name
'Cause I'll be where I fell

Come sit close to me
(Let me feel your neck)
Come sit close to me
(Hands around my neck)

Come sit close to me
(Let me feel your neck)
Come sit close to me
Close to me, yeah

I will never belong to you again
I will never belong to you

If I decide that I am alive
Than I'm diseased and ungrateful
And if I confide that I am a liar
Than I'm diseased, it's so

Push it in 'til it breaks
If I bleed, I'll be okay

If I decide that I am alive
Than I'm diseased and ungrateful
If I confide that I am a liar
Than I'm diseased and ungrateful

If I decide that I am alive
Than I'm diseased and ungrateful
If I confide that I am a liar

Than I'm diseased

So sit close to me

So sit close to me, yeah

Come sit close to me

Come sit close to me
