Say what you want but you're not getting through to me
Can you take it, can you take it?
Pray if you want but you can't get a piece of me
Can you save this, can you save this?
Don't keep saying I'm afraid of a new day
Don't you hate that, really hate that?
So stay if you want but we'll burn you an effigy
Separate us, separate us

Ãçâ, ÑœCause I've been waiting for something
beautiful
Can you serve it up for me?
I've been thinking that something wrong with me
Clear it up for me
And I've been hoping for something meaningful
Can you serve it up for me?
And I've been looking for something to keep coming
back for more

Say what you want but you're not getting through to me
Can you take it, can you take it?
Pray if you want but can't get a piece of me
Can you save this, can you save this?
Don't keep saying I'm afraid of a new day
Don't you hate that, really hate that?
So stay if you want but we'll burn you an effigy
Separate us, separate us

Because I've been waiting for something beautiful
Can you serve it up for me?
I've been thinking that something wrong with me
Clear it up for me
And I've been hoping for something meaningful
Can you serve it up for me?
And I've been looking for something to keep coming
back for more

Say what you want but you're not getting through to me
Can you take it, can you take it?
Pray if you want but can't get a piece of me
Can you save this, can you save this?

Don't keep saying I'm afraid of a new day
Don't you hate that, really hate that?
So stay if you want but we'll burn you an effigy
Separate us, separate us

Say what you want but you're not getting through to me
Can you take it, can you take it?
Pray if you want but can't get a piece of me
Keep me coming back for more
