Empty

Listen, I want you
I need you
confront you
I love you to rape me
I need you to break me

tell me how to sit around
making my life to empty
tell me how to sit around
cuz I don't think you wanna know me now
know me now

I feel you
conceal you
I hear you
I fear you
I steal you to heal you
I feed you and milk you

tell me how to sit around
making my life so empty
tell me how to sit around

cuz I don't think you wanna know me now
know me now

I can't be
I can't be
what you wanted
I can't be
what you wanted
I can't be
I can't be
what you wanted
I can't be
what you want

tell me how to sit around
making my life so empty
tell me how to sit around

cuz I don't think you wanna
know (x13)

oh, oh, oh,
oh yeaheaheah
oh, oh, oh,
oh yeaheaheah
