I guess I like it when we play
(The way you drag me down)
I guess I like it when you hate me
(The way you drag me down)

?Cause I can't face myself in a mirror
(I'm left alone with all my pain)
And I disgrace myself in the mirror
(I'm left alone with my shame)

Fuck it, I see you in me
Fuck it, I feel you in me
Fuck it, I'll heal you in me

Fuck it, I see you in me
Fuck it, I feel you in me
Fuck it, I'll heal you in me

I guess I like it when we fight
(The way you drag me down)
I guess I like it when you smite me
(The way you drag me down)

?Cause I can't face myself in a mirror
(I'm left alone with all my pain)
And I disgrace myself in the mirror
(I'm left alone with my shame)

Fuck it, I see you in me
Fuck it, I feel you in me
Fuck it, I'll heal you in me

Fuck it, I see you in me
Fuck it, I feel you in me
Fuck it, I'll heal you in me

You're out of luck
Can't get a piece of me
It's all blown up
Don't even fuck with me

I cannot please you all forever

I cannot please you at all
(I can feel you coming up behind me)

Fuck it, I see you in me
Fuck it, I feel you in me
Fuck it, I'll heal you in me

Fuck it, I see you in me
Fuck it, I feel you in me
Fuck it, I'll heal you in me
