Fade put like a photograph  
Just a memory to forget  
You burn black like a cigarette  
I'll discard you when I'm done  
You break down when you need the rest  
What a selfish way to drown  
Then lay down with the thief you met  
And enjoy the pride you've won

So let loose those tears darling  
'Cause I'll turn my back

So tell me the story  
How you lose this all I'm guessing  
But don't tell me you're sorry  
I am through with it all and I won't be back again

I'm burnt out on your etiquette  
How you caponize the son  
Then lay down with another one  
As you canonize yourself

So let loose those tears darling  
'Cause I'll turn my back  
So tell me the story  
How you lose all this I'm guessing  
But don't tell me you're sorry  
I am through with out all and I won't be back again

You're breaking all the rules and killing all my self  
esteem that's left  
You take me for a fool  
You're killing all my self esteem that's left  
So tell me the story

How you lose this all I'm guessing  
You're looking so worried  
Can you feel it come undone  
Such a pitiful story  
But I finally learned my lesson  
Don't tell me you're sorry  
I am through with it all

And I won't be back again
