Who's to know if your soul will fade at all
The one you sold to fool the world
You lost your self-esteem along the way
Yeah

Good God you're coming up with reasons
Good God you're dragging it out
Good God it's the changing of the seasons
I feel so raped
So follow me down

And just fake it if you're out of direction
Fake it, if you don't belong here
Fake it, if you feel like infection
Woah you're such a fucking hypocrite

And who's to know that the lies wont hide your flaws
No sense in hiding all of yours
You gave up on your dreams along the way
Yeah

Good God you're coming up with reasons
Good God you're dragging it out
Good God it's the changing of the seasons
I feel so raped
So follow me down

And just fake it if you're out of direction
Fake it, if you don't belong here
Fake it, if you feel like infection
Woah you're such a fucking hypocrite

Whoah Whoah

I can fake with the best of anyone
I can fake with the best of 'em all
I can fake with the best of anyone
I can fake it all

Who's to know if your soul will fade at all
The one you sold to fool the world
You lost your self-esteem along the way

Yeah

Good God you're coming up with reasons
Good God you're dragging it out
Good God it's the changing of the seasons
I feel so raped
Man follow me down

And just fake it if you're out of direction
Fake it, if you don't belong here
Fake it, if you feel like infection
Woah you're such a fucking hypocrite

Fake it, if your out of direction
Fake it, if you don't belong here
Fake it, if you feel like infection
Woah your such a fucking hypocrite
