She's wearin' dresses on the border line
(Lookin' good)
Oh wakin' senses that were lost in time
(Make amends)
This liberation is the one they'll love for ages
(Hey man, I see them comin')

Just cut those dresses, make you look so fine
(You're a ten)
Put on that shirt and you'll look so divine
(I'm impressed)
This generation won't forgive those signs of agin'
(Hey man, I see them comin')

I've got my ticket for the next makeover
I've got my ticket for a stolen ride

I believe, I believe
I believe in the fallen
I believe, I believe
I believe in the callin'

They've got injections for the facial lines
(Make amends)
Break out the scalpel keep the nose defined
(Look again)
A crucifixion of the love we've known for ages
(Hey man, I see them comin')

You're much too pretty, you don't need your mind
(Just pretend)
Just bat them eyelids, get your heart desires
(Make amends)
A resurrection of the shallow and the vapid
(Hey man, I see them comin')

I've got my ticket for the next makeover
I lost my taste for this, I'll keep my pride

I believe, I believe
I believe in the fallen
I believe, I believe

I believe in the callin'

Reject

I've got my ticket for the next makeover
I lost my taste for this, I'll keep my pride

I believe, I believe
I believe in the fallen
I believe, I believe
I believe in the callin'

I believe, I believe
I believe in the fallen
I believe, I believe
I believe in the callin'
