I guess I like it when we play  
(The way you drag me down)  
I guess I like it when you hate me  
(The way you drag me down)  
Â'Cause I can't face myself in a mirror  
(I'm left alone with all my pain)  
And I disgrace myself in the mirror  
(I'm left alone with my shame)

Fuck it! I see you in me  
Fuck it! I feel you in me  
Fuck it! I'll heal you in me  
Fuck it! I see you in me  
Fuck it! I feel you in me  
Fuck it! I'll heal you in me

I guess I like it when we fight  
(The way you drag me down)  
I guess I like it when you smite me  
(The way you drag me down)  
Â'Cause I can't face myself in a mirror  
(I'm left alone with all my pain)

And I disgrace myself in the mirror  
(I'm left alone with my shame)

Fuck it! I see you in me  
Fuck it! I feel you in me  
Fuck it! I'll heal you in me  
Fuck it! I see you in me  
Fuck it! I feel you in me  
Fuck it! I'll heal you in me

You're out of luck - can't get a piece of me  
It's all blown up. Don't even fuck with me.  
I cannot please you all forever  
I cannot please you at all  
(I can feel you coming up behind me)

Fuck it! I see you in me  
Fuck it! I feel you in me  
Fuck it! I'll heal you in me

Fuck it! I see you in me  
Fuck it! I feel you in me  
Fuck it! IÂ'll heal you in me
