I guess I like it when we play  
(The way you drag me down)  
I guess I like it when you hate me  
(The way you drag me down)

'Cause I can't face myself in a mirror  
(I'm left alone with all my pain)  
And I disgrace myself in the mirror  
(I'm left alone with my shame)

Fuck it, I see you in me  
Fuck it, I feel you in me  
Fuck it, I'll heal you in me

Fuck it, I see you in me  
Fuck it, I feel you in me  
Fuck it, I'll heal you in me

I guess I like it when we fight  
(The way you drag me down)  
I guess I like it when you smite me  
(The way you drag me down)

'Cause I can't face myself in a mirror  
(I'm left alone with all my hate)  
And I disgrace myself in the mirror  
(I'm left alone with my shame)

Fuck it, I see you in me  
Fuck it, I feel you in me  
Fuck it, I'll heal you in me

Fuck it, I see you in me  
Fuck it, I feel you in me  
Fuck it, I'll heal you in me

You're out of luck, can't get a piece of me  
It's all blown up, don't even fuck with me  
I cannot please you all forever, I cannot please you at  
all  
(I can feel you coming up behind me)

Fuck it, I see you in me  
Fuck it, I feel you in me  
Fuck it, I'll heal you in me

Fuck it, I see you in me  
Fuck it, I feel you in me  
Fuck it, I'll heal you in me
