I'm trying to find a reason to mend my ways  
But this hesitation  
Well, it slows me down  
And it feels like I have lost you along the way, yeah  
No ventilation  
Well, it chokes me out

(Confront it)  
If you keep talking that way, yeah  
(Here comes the tension?)  
Nobody's gonna find it hard  
If you keep passing the blame, yeah  
(?? intervention)  
You'll die with a lonely heart

I am filled with reservation and you with shame  
A compulsive nature and a hurtful mouth  
Now I make this observation to clear my name, yeah  
You're a black constellation with the stars burnt out

(Confront it)  
If you keep talking that way, yeah  
(Here comes the tension?)  
Nobody's gonna find it hard  
If you keep passing the blame, yeah  
(?? intervention)  
You'll die with a lonely heart

You can't make me stay, yeah  
(Tell me, can you take it?)  
Can't make me stay, yeah  
(Tell me, can you take it?)  
Can't make me stay, yeah  
(Well tell me, can you take it?)  
Can't make me stay

(Confront it)  
If you keep talking that way, yeah  
(Here comes the tension?)  
Nobody's gonna find it hard  
If you keep passing the blame, yeah

(?? intervention)  
You'll die with a lonely heart

You can't make me stay, yeah  
(Tell me, can you take it?)  
Can't make me stay, yeah  
(Tell me, can you take it?)  
Can't make me stay, yeah  
(Well tell me, can you take it?)  
Can't make me stay!!
