My pain, is self chosen  
At least so the prophet says  
I could either burn  
Or cut off my pride and buy some time  
A head full of lies is the weight tied to my waist

(Chorus)

The river of deceit flows down  
The only direction we flow is down  
Down, oh down(4x)

My pain is self chosen  
At least i believe it to be  
I could either drown  
Or pull off my skin and swim to shore  
There i could grow a beautiful shell for all to see

(Chorus)

My pain is self chosen  
Our pain is self chosen  
Down, oh down(4x)
