Look into my eyes and see my pain  
now that i lost what i thought I'd gained  
Sourness and fear is all i taste  
now i understand what i had to waste

CHORUS  
My love

Look into the fires you left behind  
Smoking ashes sear my mind  
Unconcerned and in denial  
Clipping my wings put me on trial

CHORUS  
My love

Now there's only me  
God has made me weak  
now there's only me  
God is apathy

Look into my eyes and see my pain  
now that i lost what i thought I'd gained  
Sourness and fear is all i taste  
now i understand what i had to waste

CHORUS  
My love

Now there's only me  
God has made me weak  
Now there's only me  
God is apathy

History's in the mind of the teller  
Truth is in the tell

History's in the mind of the teller  
Truth is in the tell

In the tell

The truth is in the tell  
The truth is in the tell
