I'm tearing away,
pieces are falling I can't seem to make them stay.

You run away,
faster and faster, you can't seem to get away.

BREAK!!!!

Hope there's a reason
for questions unanswered, I just don't see everything.

Yes, I'm beside you,
tell me how does it feel to feel like this,
just like I do?

I don't care about anyone else but me,
I don't care about anyone,
I don't care about anyone.

Do I really want this?
Sometimes I scare myself, I just can't let it go.

Can you believe it?
Everything happens for reasons, I just don't know.

I don't care about anyone else but me,
I don't care about anyone,
I don't care about anyone else but me,
I don't care about anyone,
or anything,
But ME!!!

(God damn I love me.)

I don't care about anyone else but me,
I don't care about anyone,
I don't care about anyone else but me,
I don't care about anyone, or anything.
I don't care about anyone else but me,
I don't care about anyone....
