Go unnoticed  
Let the freedom wash away  
Losing focus  
The pretense is second nature  
It's a broken life that i cling to  
Trying to make right

I feel dismay just like you do  
I feel decayed

So find me a way to leave this wasted life  
Behind me (this wasted life)  
Find me a way to leave this wasted life  
Behind me after all

Yes i see you  
Surrounded by the hopeless  
When they need you  
You're much too good and bloated  
By the hopeless life that you cling to  
Try to make right  
I feel disdain just like you do  
I feel decayed

So find me a way to leave this wasted life  
Behind me (this wasted life)  
Find me a way to leave this wasted life  
Behind me after all

Go away  
Go away

And just leave me here  
Just leave me here  
Just leave me here

So find me a way to leave this wasted life  
Behind me (this wasted life)  
Find me a way to leave this wasted life  
Behind me after all

This wasted life [x4]
