In a dream, I could see
You are not far away.
Anytime, anyplace,
I can see your face.
You're that special one
That I've been waiting for
And I hope you're looking for someone like me.
In my dreams,
I can hear you calling me;
In the night,
Everything's so sweet;
In your eyes,
I feel there's so much inside.

(Start of Chorus)

In the nights... Dream delight..
I want to see you standing there.
In the nights... Dream delight..
I've found someone who really cares.
In the nights... Dream delight..
I want to see you smile again.
In the nights... Dream delight..
You're the one I've waited for.

(End of Chorus)

In a dream, we can do
Everything we want to.
There's nowhere I'd rather be
But here you.
The stars above light the way
Only for you and I;
I'm so glad I found the one I've been looking for.
Keep the dream
Of the one you're hoping for;
Love can come
Through an open door;
Just be strong,
And you're sure to find the one.

*Repeat chorus
