All hail Shadow
Heroes rise again
Obliterating everything that's not your friend
Nothing can stop you now
No ghost to bring you down
But there's nothing left to lose
You win!

Suffer long and it will set you free
Only through trial do we find the strength we need
It's never over just another day
Of hope and tragedy
And everything that comes our way

Determination of the strong
Found the meaning that you search for so long

All hail Shadow
Heroes rise again
Obliterating everything that's not your friend
Nothing can stop you now
No ghost to bring you down
But there's nothing left to lose
You win!

Somewhere in chaos we all find ourselves
This destruction is the only tale we tell
White is black and black is white
Right is wrong and wrong is right
Nothing ever fills this hole inside your heart

Determination of the strong
Found the meaning that you search for so long

All hail Shadow
Heroes rise again
Obliterating everything that's not your friend
Nothing can stop you now
No ghost to bring you down
But there's nothing left to lose
You win!

[INSTRUMENTAL]

All hail Shadow
Heroes rise again
Obliterating everything that's not your friend
Nothing can stop you now
No ghost to bring you down
But there's nothing left to lose
You win!
