Ohhhhhhhh, right!

Thunder, rain and lightning.
Danger, water rising.
Clamour, sirens wailing...
It's such a baa-ad si-ign!

Shadows of dark creatures,
Steel clouds floatin' in the air.
People run for shelter.
What's gonna happen to us?!

All the steps we take,
All the moves we make,
All the pain at stake.

I can see the chaos for everyone.
Who are we?!
What can we do?!

You and I are the same,
in the way that.... we have our own styles
that we won't change.
Your's is filled with evil, and mine is not
There is no way I can loo-oo-oose.

#Can't hold on much longer!
(I will never let go!)
#I know it's a one-way track....
(Tell me now, how long this'll last...?!)
#I'm not gonna think this wa-ay!
(Nor will I count on others!)
#Close my eyes, and feel the bu-urn!
(Now I see, what I've gotta do!)

Open your heart - it's gonna be alri-ight!

Ancient Cities blazing,
Shadows keep attackin'
Little children cryin'
Confusion, hopeless anger!

I don't know why you got me but, you drive me... crazy-
y!
All your cunning tricks make me sick!
You won't have it your own waaa-aaay!

#Can't hold on much longer!
(I will never let go!)
#I know it's a one-way track....
(Tell me now, how long this'll last...?!)
#I'm not gonna think this waa-aay!
(Nor will I count on others!)
#Close my eyes, and feel the buu-urn!
(Now I see, what I've gotta do!)

Open your heart, and you will seee-eeee!

[Instrumental]

A-aalll, ri-ighh'!

If it wo-on't stop,
There will be no future for us.
I-it's he-eart's tied down, by all the hate.
Gotta set it free-eeee!

#I know it's a one-way track....
(Tell me now, how long this'll last...?!)
#Close my eyes, and feel the buu-urn!
(Now I see, what I've gotta do!)

Gotta open your heart, duu-uude!

#Can't hold on much longer!
(I will never let go!)
#I know it's a one-way track....
(Tell me now, how long this'll last...?!)
#I'm not gonna think this waa-aay!
(Nor will I count on others!)
#Close my eyes, and feel the buu-urn!
(Now I see, what I've gotta do!)

Open your heart, it's gonna be alriiii-iiight!

Open your heart!

Open your hear-t!

Yeah, yeah, 'eaa-aaah,
