This is Knuckles, and you have reached the Death Chamber

REPEAT STARTS HERE

(Death Chamber, Death Chamber, Death Chamber)
From front to back all I see is stones,
I'm glad I don't hold this room.
(Death Chamber, Death Chamber, Death Chamber)
A lot of trick stuff that makes you fall into a trap,
(Death Chamber, Death Chamber, Death Chamber)
Eggman wants to steal our soul, keep the Emeralds
build a throne,
(Death Chamber, Death Chamber, Death Chamber)
Not if I can help at all,
I will not let him take it over.

(REPEAT FROM REPEAT POINT)
