Everybody flow with me
This is your boy, Knuckles
And this is the Aquatic Mine
Come on, y'all

Let's take a dive in Aquatic Mine
Once was a cold dip, but now it's a water ride
Makes you wanna sit back, enjoy the life
And do things you like doin', get to shine
It sure beats fighting with them foes all the time
But I gotta do it, they always stay outta line
Sometimes I wanna just chill and lamp
But I'm the protector of the emeralds and gems

I stay knuckled up, I'm in a deep cut
I'm seein' skulls that burn, they tryin' to throw me off
Avoidin' my luck, I'm feelin' kinda stuck
I'm in narrow hallways runnin' like it's a ball game
Handtracks be trackin' me to different doorways
In a maze and I don't know what to do
Guaranteed, though, I'm'a find the emeralds
Don't call me Knuckles for nothin', I get loose

Sure beats fighting with them foes all the time
But I gotta do it, they always stay outta line
Sometimes I wanna just chill and lamp
But I'm the protector of the emeralds and gems
I stay knuckled up, I'm in a deep cut
I'm seein' skulls that burn, they tryin' to cut me off
Avoidin' my luck, I'm feelin' kinda stuck
Don't call me Knuckles; give me the bucks
