This is my escape
I'm running through this world
And I'm not looking back
'Cuz I know I can go
Where no one else has gone
And I'm not looking back

But how will I know when I get there?
And how will I know when to leave?
We've all got to start from somewhere
It's like that for me
The possibilities are
Never-ending

[Chorus]
I see it
I see it
And now it's
All within my reach
(Endless Possibilities)
I see it!
I see it now!
It's always
Been inside of me
(And now I feel so free)
(Endless Possibility)

You're losing speed
You're losing your flow
(Inside is a power
You'll never know)
Then let it out
It's inside you
(You all better step back
'Cuz I'm coming through!)

[Chorus]
I see it!
I see it!
And now it's
All within my reach!
(Endless Possibility)

I see it!
I see it now!
It's always
Been inside of me!
(And now I feel so free!)
(Endless Possibility)

Endless Possibility
Endless Possibility
Endless Possibility
Endless Possibility!
