Tap the rhythm against the floor, to look for another
door
I am shaking to the mystery of the night.
I know there is an easier way but it is my choice anyway
Don't let me waste my time, in futile thinking any more.
Fated not to be tamed.
Watch me, I never will lean upon you.
I can go... by myself.

Fly in the freedom,
Time never stop and wait for me. (show the way)
Looking for answers and looking for the clue.
Fly in the freedom

Nobody taught me to hint, win a happy life of a dream
I'm not waiting for a fortune teller
I feel that my wish will come true, I've never thought
ahead to that luck
Is it my treasure? Tell me what I've really looked for.

Fancy came to my mind,
It leads me to somewhere far away,
Distant place, distant time.

Fly in the freedom,
Time never stop and wait for me. (show the way)
Looking for answers and looking for the clue.
Fly in the freedom,
There's a lot of things to do.
Come on, I'm ready to gamble, it's time to play the
game.
Fly in the freedom,
Tell me, what is this feeling? (show the way)
I'm in a paradise, I'll keep it forever.
Fly in the freedom,
I'll never stop my steps.
If I believe in myself, I know that I can, sure I know.

Fly in the freedom
Time never stop and wait for me. (show the way)
Looking for answers and looking for the clue

Fly in the freedom
There's a lot of things to see
Come on, I'm ready to gamble, it's time to play the
game
Fly in the freedom
Tell me, what is the feeling? (show the way)
I'm in a paradise, I'll keep it forever.
Fly in the freedom
Dreams are always around me
Oh, it comes to my hands, it's really clear to me.

Looking for answers, looking for the clue.
I'm in a paradise, I'll keep it forever.
Looking for answers, looking for the clue.
I'm in a paradise, I'll keep it forever.
