Tap the rhythm against the floor,
to look for another door.
I am slipping to the mystery of the night.

I know there is an easier way,
but it is my choice anyway.
Don't let me waste my time in futile thinking anymore!

Fated not to be tamed.
Watch me, I never will lean upon you,
I can go by myself!

-fly in the freedom-
Time never stop and wait for me.
-show the way-
looking for answers, and looking for the clue,
Fly in the freedom!!

Nobody taught me to hint,
win a happy life of a dream.
I'm not waiting for a fortuneteller!

I feel that my wish will come true,
I've never thought ahead to that luck!
Is it my treasure? Tell me what I've really looked for!

Fancy came to my mind.
It leads me to somewhere far away.
Distant place, distant time.

-fly in the freedom-
Time never stop and wait for me.
-Show the way-
Looking for answers and looking for the clue
-Fly in the freedom-
There is a lot of things to do.
Come on I'm ready to gamble. It's time to play the
game.
-fly in the freedom-
Tell me, what is the feeling?
I'm in a paradise, I'll keep it forever.
-fly in the freedom-

I'll never stop my steps.
I believe in myself, I know that I can
Sure I know!

-fly in the freedom-
Time never stop and wait for me.
-Show the way-
Looking for answers and looking for the clue.
-Fly in the freedom-
There are a lot of things to see.
Come on I'm ready to gamble, it's time to play the
game.
-Fly in the freedom-
Tell me, what is the feeling?
I'm in a paradise, I'll keep it forever.
-Fly in the freedom-
Dreams are always around me.
Oh, it comes to my hands, it's really clear to me,
Sure I know!

Looking for answers and looking for the clue
I'm in a paradise, I'll keep it forever.
Looking for answers and looking for the clue.
I'm in a paradise, I'll keep it forever.
