Come on and light the fuse,  
He's a rocket and he's ready to go!  
'Cause now the countdown has started,  
And he's ready to blow!  
He's got the dope sounds pumping in a stereo ("eo!")  
He can act fast,  
Putting on a show!

Go on and get yourself together  
There's no time to rest,  
And if you put the time in  
He'll put you to the test!  
He's like a "runnin' man"  
In his world, "more" is "less"!  
And if you wanna test him, best bring your best.  
Don't make me spell it out;  
Bring your best!

In this world (HIS WORLD!)  
Where life is strong,  
In this world (HIS WORLD!)  
Life's an open book!  
In this world (HIS WORLD!)  
Where compromise does not exist,  
In his world, the flow's every step meets the rest!

In this world (HIS WORLD!)  
Where one is all,  
In this world (HIS WORLD!)  
Never fear the fall!  
In this world (HIS WORLD!)  
Where compromise does not exist,  
In his world, the flow's every step meets the rest!

Playin' it back again  
Well, whatcha expect?  
Comin' out to win ten outta ten  
Got a real rough neck!  
Spikes up it's slippery, he straps on his shoes  
'Cause he's the best there ever was  
Haven't-cha heard the news?!

Intergalactic, continental, champ running things,  
Hyperactive, instrumental, in pulling strings!  
He is the one who understands  
When the tides will swing,  
So he's breaking down doors, never following!

Come on and psyche yourself up,  
'Cause it's time to play!  
Bounce to the beats and the rocks,  
'Cause they're here to stay!  
The one and only never cored man,  
Living the day.  
Blowing up, coming fast  
And he'll blow you away!

Because the pressures of this world,  
They can take the toll,  
And it's time to get away  
When they take a hold  
The only way to break free  
Is to break the mold!  
You can't stop now, lock and load!  
Don't stop now, come on rock and roll!

In this world (HIS WORLD!)  
(Gotta make your own way!)  
Where life is strong,  
In this world (HIS WORLD)  
(Life is just a game you play)  
Life's an open book!  
In this world (HIS WORLD!)  
(Nothing's forever here to stay!)  
Where compromise does not exist  
In his world, the flow's every step meets the rest!

In this world (HIS WORLD!)  
(Gotta make your own way!)  
Where one is all,  
In this world (HIS WORLD!)  
(Life is just a game you play!)  
Never fear the fall!  
In this world (HIS WORLD!)  
(Nothing's forever here to stay!)  
Where compromise does not exist,  
In his world, the flow's every step meets the rest!

Light the fuse, Sonic's rockin'  
And he's ready to go

Cause now the countdown has started

(IN HIS WO~ORLD!)(WHERE ONE IS ALL!) (is all ...all)

Intergalactic, continental, champ running things  
Hyperactive, instrumental, in pulling strings! (strings!

(IN HIS WO~ORLD!)(NEVER FEAR THE FALL!) (the fall,

(IN HIS WO~ORLD!)  
The only way to break free is to break the mold!  
You can't stop now, lock and load! (HIS WORLD!)

Don't stop now, come on and rock and roll!
