Can you feel life movin' through your mind
Ooo, looks like it came back for more, yeah, yeah, yeah
Can you feel time slippin' down your spine
Ooo, you try and try to ignore, yeah

But you can hardly swallow
Your fears and pain
And you can't help but follow
It puts you right back where you came

Live and learn
Hanging on to the edge of tomorrow
Live and learn
From the works of yesterday
Live and learn
If you beg or if you borrow
Live and learn
You may never find your way

Woah

Can you feel life tangle you up inside
Yeah, and now you're face down on the floor, ohh

But you can't save your sorrow
You've paid in trade
And you can't help but follow
It puts you right back where you came

Live and learn
Hanging on to the edge of tomorrow
Live and learn
From the works of yesterday
Live and learn
If you beg or if you borrow
Live and learn
You may never find your way

Hey! Woah! Woah! OH YEA!

(guitar solo)

Yea yea yea yea yea

There's a face searching far, so far and wide
There's a place where you dreamed you'd never find
Hold on to what if
Hold on to what if

Live and learn
Hanging on to the edge of tomorrow
Live and learn
From the works of yesterday
Live and learn
If you beg or if you borrow
Live and learn
You may never find your way

Live and learn
Hanging on to the edge of tomorrow
Live and learn
From the works of yesterday
Live and learn
If you beg or if you borrow
Live and learn
You may never find your way

Live and learn
Yeah, yeah, yeah, yeah, yeah
Live and learn
Yeah, yeah, yeah, yeah, yeah
