On a sunday, riding my bike
I notice, I notice, different things that look alike.
On a Sunday, riding my bike
I notice, I notice, many many things that look alike.

Ice & water. Steak & cow.
Autumn this year & last year.
Spark & burn. Rain & cloud.
A, B, C, D

Tuesday, Wednesday, so is Friday
How 'bout moons & headlights?
What I say & what I think.
A-B-C-D-E-F...

Cause you're on the go ('cause you're on the go)
I was born (I was Born)
In the memory (in the memory) note: pronounced
Memorai.
By the flat of names.

On a sunday, riding my bike
I notice, I notice different things that look alike
On a Sunday, riding my bike
I notice, I notice many many -look alike.

On this planet, drinking my coffee
I notice I notice, different things that are alike
On this planet, drinking my coffee
I notice, I notice, many many things that are alike.

Everything is born from this planet
a number, a TV, even thoughts that entertain.
Everything is out of this planet
a boyfriend a pencil, even your new videos.
& everything is.....

On this planet, riding my bike
I notice, I notice, different things that are alike.
On this planet, riding my bike
I notice, I notice, many many -look alike.

On this planet, riding my bike
I notice, I notice, different things that are alike.
On this planet, riding my bike
I notice, I notice, new & universal look alikes.
