Oh right

Thunder, rain and lightnin'
Danger water rising,
Clamour, siren's wailing.
It's such a bad sign!

Shadows of dark creatures
Steel clouds floatin' in the air
People run for shelter
What's gonna happen to us?!

All the steps we take,
All the moves we make,
All the pain at stake...
I see the Chaos for everyone.
Who are we?!
What can we do?!
You an' I are the same
In the way that we have our own styles
that we won't change
Your's is filled with evil,
and mine is not
There is no way I can lose

[Chorus:]
Can't hold on much longer
(I will never let go!)
I know it's a one-way track
(Tell me now, how long this will last?!)
I'm not gonna think this way
(Nor will I count on others)
Close my eyes and feel the burn
(Now I see what I've gotta do!)

Open your heart, it's gonna be alright

Ancient cities blazing.
Shadows keep attacking
Little children crying
Confusion, hopeless anger

I don't know what it can be,
But you drive me crazy!
All you're cunning tricks make me sick,
You won't have it your own way!

(*Chorus*)

Open your heart, and you will see!

Oh, right!
Yeah!

If it won't stop,
There will be no future
For us.
It's heart's tied down by
all the hate
Gotta set it free

I know it's a one-way track
(Tell me now, how long this will last?!)
Close my eyes and feel the burn
(Now I see what I gotta do!)

Gotta open your heart, dude!

Can't hold on much longer
(But I will never let go!)
I know it's a one-way track
(Tell me now, how long this will last?!)
I'm not gonna be this way
(Nor will I count on others)
Close my eyes and feel the burn
(Now I see what I've gotta do)
Open your heart and it will be alright.
Yeah!

Open your Heart!
Open your heart!
Yeah... Yeah-eah!
