(Verse 1)

I don't care what you're thinking,
As you turn to me,
Cause what I have in my two hands
Is enough to set me free (echo)
I could fight the feeling
To resist it over time
But when it's just too much to take
You sneak up from behind

(Pre Chorus 1)

Is it me, you say, you're looking for
Let me show you who I am and what I'm here for... here
for...

(Chorus)

Try to reach inside of me, try to drain my energy
Let me show you just what I'm made of
Simple curiosity, tries to take a bite of me
Let me show you just what I'm made of now...

(Verse 2)

Like a million faces
I've recognized them all
And one by one they've become
A number as they fall (echo)
In the face of reason
I can't take no more
One by one they've all become
A black mark on the floor

(Pre Chorus 2)

Is it me, you say, you're looking for
Let me show you who I am and what I have in store... in
store...

(Chorus)

Try to reach inside of me, try to drain my energy
Let me show you just what I'm made of
Simple curiosity, tries to take a bite of me
Let me show you just what I'm made of now...

(Bridge)

You can take another life long try

You can take another try...

(Chorus)

Try to reach inside of me, try to drain my energy

Let me show you just what I'm made of

Simple curiosity tries to take a bite of me

Let me show you just what I'm made of now...
