I've got my feet on the ground  
There is black in white  
There is orange in gold  
I've got my feet on the ground  
There is blood in water  
There is you in me  
I've got my feet on the ground  
(i am the wall you'll never break)  
I've got my feet on the ground  
(i am the chance you will never take)  
Will i stumble?  
Will i fall?

There is a fire  
Far away

I've got my feet on the ground  
(i've got my feet - i've got my reasons to believe)  
I've got my feet on the ground  
(i've got my feet - i've got my hands and knees)  
I've got my feet on the ground  
(i've got my feet - i've got my promise to keep)  
I've got my feet on the ground  
(i've got my feet - i've got my revenge)

I'm the eye of the needle  
I'm the thorn in your side  
I am the wall you'll never break  
I am the chance you will never take

There is a fire  
Far away

(i've got my feet - i've got my reasons to believe)
