I sold my horse & saddle  
Rode the Greydog to New  
My guitar & 50 dollars  
Between bein all alone

Found a job that pays ok  
But it costs twice as much to stay  
So I'll just buy myself a beer and dream of home

When things ain't going good  
That's when everything goes bad  
But this old bar's my home away from home

I won't worry about tomorrow  
'cause tonight I'll drown my sorrow  
think about that sweet thang back in San Antoine

I'm hangin' in by hangin' out  
'til I drink the night away  
'til I find my name in neon lights  
I guess I'm gonna have to stay  
But I'm tired of sleepin' all alone  
My arms can reach to San Antoine  
So tonight'll be another honky tonk night on broadway  
When all that's on my mind is the love you left behind  
That's when honkin' tonkin' helps to ease the pain  
And you know that I get lonesome too  
But these cowboys know I belong to you  
And I'm waitin' 'til I'm in your arms again

I'm hangin' in by hangin' out  
'til I drink the night away  
'til you find your name in neon lights  
I guess you're gonna have to stay  
I'm so tired of sleepin' all alone  
My arms can reach to San Antoine  
So tonight'll be another honky tonk night on broadway

I'm hangin' in by hangin' out  
'til I drink the night away  
'til you find your name in neon lights  
I guess you're gonna have to stay

I'm so tired of sleepin' all alone  
My arms can reach to San Antoine  
So tonight'll be another honky tonk night on broadway
