Miscellaneous

I just came here to dance

I was feelin' lonely

And I was new in town

I was only lookin' for a friend

But when the music started

And I saw you in the crowd

My heart just opened up and let you in

Oh I just came here to dance

I didn't want a lover

I just came here to dance

And look what I discovered

I was caught up in the music

And I was captured

by the magic in your eyes

I wasn't lookin' for romance

I just came here to dance

I may be actin' crazy

And maybe I'm insane

To lose my heart so easily

But when we started dancin'

And you held me in your arms

I don't know what came over me

Oh I just came here to dance

I didn't want a lover

I just came here to dance

And look what I discovered

I was caught up in the music

And I was captured by the magic

in your eyes

I wasn't lookin' for romance

I just came here to dance

Oh, it felt so right

with the jukebox lights

Spinnin' 'round and 'round

When the night was through

It was me and you

And a new love we'd found
