Gerd ma mai keree jer... ?
Since I was born I've never met anyone like you

Lup fun lamer pahb ter koy lohn took keun
I always dream about you in my sleep every night

Lup long krao dai yahk non mai yom theun
Every time I drift off to sleep I never want to wake up

Gor took kum keun, jer ter tee pblaai fa glai
Every night I see you in the edges of the sky

Gor dai thae per thae fun lom lom
All I can do is get delirious, to dream about you quietly

Gor long cheun chom doy ter mai roo thua
So I am infatuated by you without you knowing it

Jer ter tee rai, jid jai then rua, chun glua chun glua ter
mai son jai
Every time I see you my heart beats loudly, I'm afraid
You might not take notice

* Yahk dern kao pbai bohk wa ruk ter
I want to go in and tell you that I love you

Wela tee jer tee ter song yim ma
Every time I notice that you are smiling at me

Muen dung loke nee sucksai keun tun tha
It's like the whole world just brightened in my eyes

Nai chuang wela tee thong garn krai kao jai suk kon
Whenever you need someone to understand

Hak ter mee krai gor bohk gun suk noy
If you already have someone, please tell me

Song: Som Sarn 2

Yah hai chun koy koy ter yang nee leree
Don't let me go on with my wishful thinking like this

Hai koy nahn nahn, mun som sarn roo mai eree
Don't make me wait this long, I'm very hesitant, you
know

Ying ter tum cheree chun eng ja ba thaai
The more you remain aloof each time I get crazier
