Somewhere in the midst of all of this,
I lost sight of what truly mattered most,
Caught off guard and under the influence.

You will be ever hearing but never understanding,
You will be ever seeing but never perceiving.

Somewhere in the midst of all of this,
I lost myself in an intangible web of lies spiraling out of
control.
Forgiver: forgive me. Am I slipping away from reality?

The lost one says...

I will never tell a soul
I will never tell a soul
I will never tell a soul.

I have been poisoned,
I have been poisoned.
