All my friends say that I'm a fool
And that I should give up on you
Many times I've surely tried
But there is something down deep inside

I've spent some time
Trying to think all this through
And I always end up
Wanting to be with you
Como una flor que necesita el agua
Sin tu amor se marchita mi alma

You will always be, always mine
Be mine 'til the end of time, always mine
You will always be, always mine
Be mine 'til the end of time, always mine

All my friends say that I'm a fool
And that I should give up on you
Many times I've surely tried
But there is something deep down inside

You will always be, always mine
Be mine 'til the end of time, always mine
You will always be, always mine
Be mine 'til the end of time, always mine
Always mine

I've spent some time
Trying to think all this through
And I always end up
Wanting to be with you
Como una flor que necesita el agua
Sin tu amor se marchita mi alma

You will always be, always mine
Be mine 'til the end of time, always mine
You will always be, always mine
Be mine 'til the end of time, always mine

Always mine, always mine
Always mine, always mine

You'll be mine 'til the end of time
Siempre mio, todo mio
