How ya doin' houston, texas?  
First I was afraid, I was petrified  
Kept thinking I could never live without you by my side  
But then I spent so many nights just thinking  
How you did me wrong, and I grew strong  
And I learned how to get along  
And now you're back from outer space  
Don't turn around, 'cause you're not welcome anymore  
Weren't you the one who tried to hurt me with goodbye  
You think I'd crumble, you think I'd lay down and die  
Now go now go, walk out the door  
Don't turn around now 'cause you're not welcome  
anymore  
Weren't you the one who tried to hurt me with goodbye  
You think I'd crumble, you think I'd lay down die  
Oh no not i  
I will survive  
As long as I know how to love,  
I know I'll stay alive

I've got all my life to live,  
I've got all my love to give  
I will survive, I will survive...hey, hey, hey  
Todos de pie, vamonos!  
Todo el mundo...eso!  
Everybody stand up! let's go!  
Everybody! that's it!  
Talk about it, talk about it,  
Talk about it, talk about it  
Talk about it, talk about it, talk about movin'  
Gotta move on (3x)

Won't you take me to funky town? (4x)

Let me hear you houston, texas, mÃ©xico!
