My, my, my, my, my
My, my, my, my, my, my
My, my, my, my, my
My, my, my, my, my, my

My, my, my, my, my
My, my, my, my, my, my
My, my, my

You are to me my greatest fantasy
Night after night, I want for you to hold me tight
I want to be with you, you could make my dream come true
Only you can make my heart and soul brand new

My love
Don't throw away my love
My love
We could have an everlasting love

My, my
My, my
My, my

I want to be all that you want me to be
Why can't you see just how much you mean to me?
I want to be with you, you could make my dream come true
Only you can make my heart and soul brand new

My love
Don't throw away my love
My love
We could have an everlasting love

My, my
My, my
My, my

My, my
My, my
My, my

My, my

My love

Don't throw away my love

My love

We could have an everlasting love

Don't throw away

Don't throw away my love

Don't throw away

Don't throw away my love

Don't throw away

Don't throw away my love

Don't throw away

Don't throw away my love

My love

Don't throw away my love
