

## Selena "Forbidden Love"

Visit "[Forbidden Love](#)" on [MotoLyrics.com](#)

With a crazy longing  
I want to see you today  
I await that moment  
In which I'll hear your voice

And when finally  
we are together, the two of us

Who cares what your mom and dad will say  
Here, the only thing that matters is our love  
I love you

(Chorus)  
"Forbidden Love"...they murmur on the streets  
Because we're from different societies  
"Forbidden Love"...Everyone tells us  
money doesn't matter  
to you nor to me

nor to the heart  
oh, oh, baby

Although I'm poor  
All of this that I give to you  
Is worth more than money  
Because it is truly love

And when finally  
we are together, the two of us  
who cares what society, too will say  
Here, the only thing that matters is our love  
I love you

(Chorus)
